NOTES CONT

B FOR DSC 442-9 AND SUBS. SEE SHEET 2.

Notes:

- Procurement department shall specify the DSC part No. and the manufacturers part no. on the purchase order
- All material shall meet the flammability requirements of FAR 25.853(b) and test reports shall be submitted with each production batch to confirm.
- A 1 linear yard sample for each production batch shall be submitted to de Havilland for approval prior to shipment of order.
- The shipper's packing slip shall clearly indicate the DSC part no., purchase order no. and the quantity shipped (roll width, length).
- Quality control/inspection procedures shall comply with the requirements of AQAP-4 or MIL-I-45208.
- Upon arrival of the 1 yard sample at de Havilland, a color match test shall be conducted by the materials lab before approval of shipment of production material. De Havilland Quality Assurance shall ensure all requirements of this DSC are met for production batches including all documentation required has been supplied.
- Materials listed on this DSC are for use with the 1990 interiors only.

* * Designator to be added as a suffix in parenthesis to Dado panel part number to identify colour.
ie. 82522150-001(A) is Dado panel with Brown Hoof Fabric.
